- Grade 80 black oxide coated load chain for added durability
- · Impact resistant all steel construction for added durability and protection
- Industrial rated alloy steel hooks rotate 360 degrees for easy rigging and slowly stretch to indicate an overload situation
- · Needle bearings support the load sheave to increase efficiency and promote smooth operation
- JET's improved easy free chain design is a two-step, no load, free chaining system. The system permits quicker hoist positioning and take up of slack chain, and is engineered not to free chain under load
